

1

Download the Elaves App

The development journey keeps growing!

Manage Sunny, track your child's progress, and access content from the online library with the Elaves App.

Scan the QR code to get started right away!

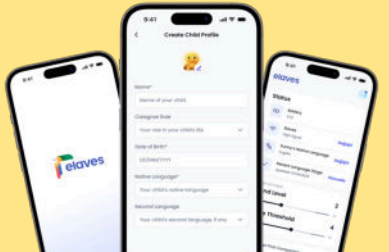

2

Set Up Your First Companion

You're ready to connect Sunny to the app.

Go to the Companion page, tap the "Add" button, and follow the steps to connect your Sunny.

Your child's personalized growth journey starts now!

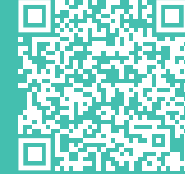

3

Shake, Listen, Play & Learn!

Sunny is ready to play!

When you shake your companion, content tailored to your child's developmental stage begins to play.

Listen, discover together, and learn through fun.

Need more help?

Everything you need for Sunny's setup, connection, and first steps is here.

Scan the QR code to access the tutorial video.
